Spectators:

We greatly encourage family and friends to watch their gymnast during class time. For everyone's safety, please sit in the above mezzanine area and closely supervise any children not participating in class.

We take precautions to keep our coaches, gymnasts and gym healthy. We vacuum and sanitize daily. We also use and distribute hand sanitizer with each class.

Please help us by keeping any gymnast who is not feeling well at home. Sick gymnasts also run a greater risk of injury. Thanks for your support!
